

**Alvin Pest Control, LLC** strives to hire the best candidate for all positions whose talents are best suited for the open position(s) and personality would fit best for the position and in our company culture.

**Position: Pest Control Apprentice**

**Description:** The Pest Control Apprentice will provide pest and termite service to our residential customers. We will provide all training and licensing to start a career in pest control. We pride ourselves in providing training above and beyond that required by our state licensing agency to ensure we are giving our customers the best pest control experience possible. We utilize up-to-date methods, equipment and technology to reduce fatigue for our technicians.

**Duties include:**

- Perform pest control using liquid chemicals, dusts, and baits as prescribed and in accordance with labeling and licensing.
- Install and service termite bait stations as prescribed and in accordance with labeling and licensing.
- Maintain equipment for proper operation.
- Work with our office staff to run efficient routes and maintain our customer satisfaction.
- Maintain cleanliness of vehicle—inside and outside.
- Complete proper and accurate documentation of all services.
- Other duties and tasks as requested by management.

**Qualifications:**

- High school diploma or equivalent; college hours in a biological science a plus.
- Ability to regularly lift 50 pounds.
- Strong organizational skills and task oriented with the ability to prioritize tasks effectively.
- Ability to use deductive reasoning and logic when identifying pest problems.
- Technologically savvy and able to use a mobile app.
- Good verbal and written communication skills.
- Must be able to pass a background check and drug testing.
- Clean driving record; no tickets or at-fault accidents in past 2 years.
- Must be comfortable working indoors and outdoors in all seasons.

**Job Type:** Full-time; approximately 40 hours per week, overtime probable.

**Hours:** Monday through Friday, some Saturdays  
Flexible hours ranging from 7:00 am to 6:00 pm.

**Pay:** Based on experience but typically \$15 to \$17 per hour to start. 2 salary increases in  
first year; first when starting your own route (appx 3 months) and second when passing the state Technician Exam (appx 8-9 months).
